

APPENDIX VI
LARGE-SCALE DISASTERS AND EMERGENCIES

The suggested SOG contained within this MOU may not outline the best course of action for card distribution/activation in cases of large-scale wildfires, earthquakes, floods, or mudslides that cause mass evacuations in your community. If your department is a responding agency under these circumstances, please refer to the suggested protocol below:

-In the event that a large-scale emergency situation occurs, the department's SAVE designees as appointed per the SOG, may not be able to assist during this time, as they may be on the frontlines. Therefore, the department shall plan ahead accordingly to appoint 'emergency designee (s)' to distribute SAVE cards.

-The department should be prepared to dispatch such 'emergency designees' to activate and distribute SAVE cards to eligible victims, whether the distribution occurs at a Cal-OES coordinated Local Assistance Center or evacuation center, or directly on-scene. An 'emergency designee' does not need to be an IC. The respective local bargaining unit (Party C) may be a resource at this time to assist in SAVE card distribution.

-Should a large-scale disaster occur, the department shall immediately contact CFF in order to:

- Obtain allocated 'disaster assistance' SAVE cards
- Obtain a ***special passcode*** to activate such 'disaster assistance' SAVE cards
- Relay the distribution plan of the 'disaster assistance' SAVE cards

-You may call the office at (916) 641-1707 or email save@cpf.org.
