42 GRANTEES

Number of California-based **fire departments** and **organizations** granted funding or vehicles and related equipment

\$10K+

Average cash grant awarded

California Fire Foundation (CFF) cash grants ensured that **over 100,000** wildfire victims received assistance.

FUNDING PRIORITIES

CFF funded services that immediately and directly assisted individuals, families and fire departments impacted by major 2020 California wildfires, including:

- Emergency shelters
- Temporary housing
- Food
- Clothing
- Medical care
- Transportation needs
- Relief supplies
- Financial assistance
- Job-displacement assistance
- Mental/behavioral health
- Crisis intervention
- Rebuilding efforts

"We are so appreciative of California Fire Foundation's generosity and partnership with us to support our most vulnerable residents impacted by the recent fires here in Sonoma County." - **Elly G., Community Foundation Sonoma County**

"THANK YOU for approving the grant for our organization! We are very excited to receive it! Right now, there are animal owners whose homes were destroyed that we are working with..." - **Naomi T., Central California Animal Disaster Team**
